

INTERNSHIP

Experiential learning is an important aspect of building knowledge and professional development. Not only does it give individuals an edge over other candidates when applying for jobs, but it also prepares them for what to expect in their field and increases confidence in their work. The Delhi branch of the Richmond Fellowship Society (India) is a Non-Governmental Organization working in the area of mental health. Besides providing psychosocial rehabilitation for those suffering from chronic mental illnesses, we also work for community mental health. We are looking for anyone who is passionate and dedicated to work in the area of mental health and emotional well-being.
